Description			
My surname is "Khor" but the name in employment details after CTOS verified shows "KOHOR".			
Please check if this is related to CTOS or we populated the name wrongly. Can refer to the image attached.			
Thanks

Hi David, please help to check why **retrieveEKYCStatus** ws return invalid data (name) based on attached image by Keat San. Be noted that FE shows the corresponding data based on webservice return.

#3 - 25 January 2022 03:03 PM - David Wong

- Status changed from Assigned to Feedback
- Assignee changed from David Wong to Keat San Khor

Your name is returned from CTOS NRIC web service after scanning. There's nothing to fix on MLEB side.
