Update ver 4.07(16), User ID: uatmdl21

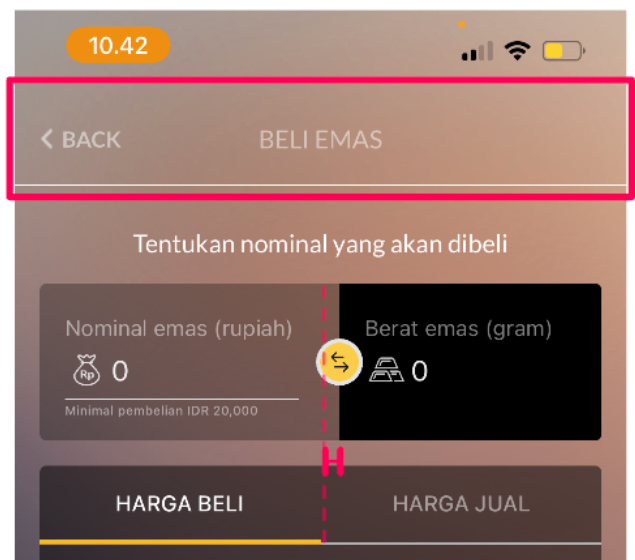

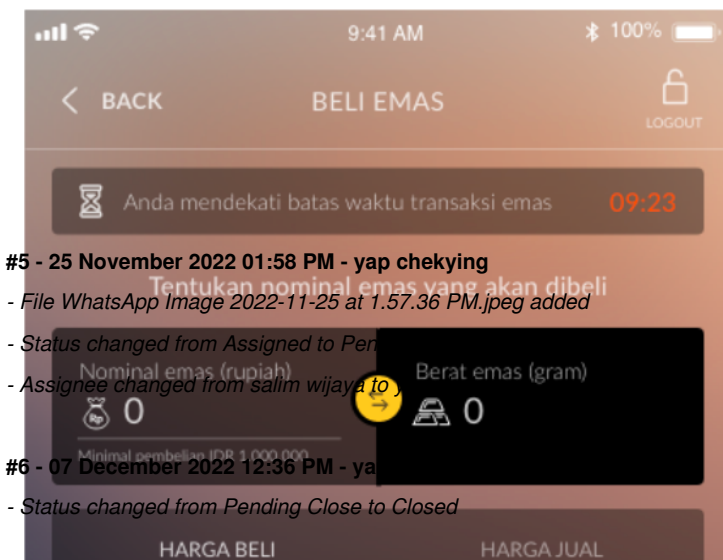

No. 1: After you reduce the opacity it looks like it is too transparent.  
Please increase the opacity a bit

No. 5: The card color for the left side (Nominal emas) is still too light, please make it darker

Another issue: The 'Nominal emas (gram)' container exceeds the center of the page, it has different width with the 'Berat emas (gram)' container
