

PENGADIAN EMAS - Bug #15473

ANDROID[EMAS][Registration Gold][OTP to acknowledgement screen] Application crashed

05 January 2023 04:42 PM - rifqi mulyana

Status:	Closed	Start date:	05 January 2023
Priority:	Urgent	Due date:	
Assignee:	rifqi mulyana	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
Issue: The user enter the OTP and tap OK, apps crashed and directed to Login			
Expected: Should be directed to the acknowledgement screen			

History

#1 - 06 January 2023 06:22 PM - aiman baharum

619cdef717e5cb334e26107d7522a927745460e2

dev note: msemas/register/submit-registration hit 99, so the data in acknowledgement screen is empty

fix: added red popup message if submit-registration hit 99

#2 - 09 January 2023 10:12 AM - aiman baharum

- Assignee changed from aiman baharum to rifqi mulyana

please test on new package (master app)

#3 - 16 January 2023 05:04 PM - rifqi mulyana

- Status changed from New to Pending Close

Actual result:
Apps did not crash, fixed

#4 - 20 January 2023 02:04 PM - yap chekying

- Status changed from Pending Close to Closed
