Description			
Expectation: To prevent further UI issues on this, we've come up with some rules for the graph: - The graph will display data for the last 4 weeks from today - Date interval is 7 days - There are 5 dates/labels displayed, where the last date is today's date - if we use Example for today is the last date, it will be shown like this: 10Jan - 17jan - 24jan - Jan31 - Feb 7
