31 May 2023 03:23 PM - Jimmy Phang

Status:	Resolved		**Start date:**	31 May 2023
Priority:	Normal		**Due date:**	
Assignee:	Jimmy Phang		**% Done:**	100%
Category:			**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour

Description

Please pass the IP in request header for every web services request.

Remark:
Please cross check the "attached document" with Total 153++ WS request would need to be included.

History

#1 - 15 June 2023 01:13 PM - Shafiqah Rahni

- Status changed from New to Resolved

- Assignee changed from Shafiqah Rahni to Jimmy Phang

- % Done changed from 0 to 100

Added "ip" is soap header

Sample request :

```
<soapenv:Header>
  <adap:security>
    <id>deviceId123</id>
    <appversion>12.1.0</appversion>
    <type>android</type>
    <ip>111.198.88.00:89</ip>
  </adap:security>
</soapenv:Header>
```

Added in OMNI request header "IP-ADDRESS"
