- Subject changed from [BCR907][iOS][Transfer Outside Brunei (T/T) Add Fav] Adjust max length to 40 characters for input field beneficiary address 1 & beneficiary address 2 to [BCR1098][iOS][Transfer Outside Brunei (T/T) Add Fav] Adjust max length to 40 characters for input field beneficiary address 1 & beneficiary address 2
- Status changed from Resolved to Closed
- Assignee changed from Ricec Ricec to Rafly Prayogos

Since add fav for beneficiary address 1 & beneficiary address 2 field on MIB have same max length on RIB (25 characters), no need any changes on MIB max length.

The 40 characters max length for address field on RIB is for address field when select new beneficiary (proceed trx)
