careless, not quality, not testing after implement the solution. still miss leading previously cause this issue.

issue  
-----  
browser type <http://localhost:3000/>, its navigate to <http://localhost:3000/ccauth/topnavbar/cciam> but NOT content display.

expected  
-----  
browser type <http://localhost:3000/>, its navigate to <http://localhost:3000/ccauth/topnavbar/cciam> SHOULD content display.
