-The accordion for all page are now collaged when click search multiple time.
-Already Clone the bd_am to check the emailemail parameter setting
DateTime form has been add in email parameter setting

#5 - 05 February 2024 01:17 PM - Hazimi Muhammad

- Status changed from Resolved to Feedback

- Click any module from left menu -> key in any search criteria -> click search -> accordion collaged -> click on accordion -> accordion expand -> change search criteria value -> click search button -> accordion COLLAGED.

-Clone the bd-am > npm install and run > go to email parameter setting page> clink Add > click the dateTime and choose date.

#6 - 05 February 2024 03:23 PM - chok yee fan

- *Status changed from Feedback to Closed*

tested working fine
