Target version:		Spent time:	0.00 hour
Description This issue happen on Organisation Profile,User Category ,Email Parameter Setting but i cannot stimulate for User Profile, Message Template,User Role Issue: Make sure the data is 9 in the database -> click Organisation Profile at the sidebar -> click Search button -> the pagination "1 to 9 of 9 entries" -> click add button -> add the new data -> go to the search page -> the pagination "1 to 9 of 9 entries" is there while the data are now 10. Expected: Make sure the data is 9 in the database -> click Organisation Profile at the sidebar -> click Search button -> the pagination "1 to 9 of 9 entries" -> click add button -> add the new data -> go to the search page -> the pagination "1 to 10 of 10 entries" make sure the data is what we got from the BE
