- File Upload_Format bug fixes.pptx added

Please also help to cross check the checking sequence/ method for Format field display correctly.

Pls refer to attached doc from slide #5 until the end.

To Standardize FE Checking for WS response of above: (from Slide #6 until Slide #13)

FE checks upload format desc from BE response > Display upload format desc value in Format Field.

If there is no upload_format_desc;

FE check upload format from BE response > Display upload format value in Format Field.
