

PJ073 - USMS - Bug #22132

[IOS] Manage Favourite is Missing Validation

08 May 2025 11:44 AM - Mohamad Zulhilmi

Status:	New	Start date:	08 May 2025
Priority:	Normal	Due date:	
Assignee:	Yeow Yui Chuang	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description Steps: 1. Login MIB 2. Go to Settings>Manage Favourites 3. Click Add Favourite 4. Input the fields with invalid input (eg. invalid meter number for Top Up Prepaid (USMS)) 5. Click Next Error Found: Nothing happen when click Next at Add Favourite Screen Expected Result: Should prompt error message for invalid case
